\$499,000

In a quiet and private cul-de-sac only 300metres to hot coffee and cake at the Green Garage is a completely renovated three bedroom home. A light-filled open plan living, dining and kitchen area plus an extra space that would be ideal as a study. The new kitchen features a gas cooktop and quality stainless steel appliances. There are three bright bedrooms with large windows and built-ins and the refurbished bathroom also has a bath. Timber engineered floors, fresh paint, halogen lights and a solar hot water system are just some of the new features in the home. There is also internal access through the good-sized laundry to the single lock-up garage. Outside there is an easily maintained wrap around backyard with mature plants and a timber deck ideal for alfresco dining. This Torrens Title home is in an excellent location being so close to town centre and beaches, leave the car at home and walk or cycle around Byron Bay.
