

Contemporary Elegance - Brunswick Heads

\$839,000

A relaxed character filled renovated 1950's beach house. This three bedroom home is surrounded by beautifully landscaped gardens, set in a peaceful but central street in Brunswick Heads.

Stylish features and fittings, including original timber floors and high ceilings, add to the elegance of the spacious, light filled interior.

Open plan living/dining area with a contemporary entertainer's kitchen featuring Corian bench tops, a gas cooktop, electric oven and a two door dishwasher.

Huge bifolding doors open out to the north facing, covered, timber deck, offering a great outdoor extension of the living area, looking over the private backyard. The wide deck catches the sun and includes a built in day bed. A garden edged boardwalk leads to a possible studio.

The generous main bedroom has a luxurious ensuite and opens out to a second verandah at the front of the home.

Throughout the home there is generous storage space including extensive storage in the double carport which is accessed via electric gates from a rear lane.
