Unbelievable Value for 52 Acres!

Nestled along Eureka Road in the Byron Bay hinterland this property delivers a unique opportunity for families, first home buyers and investors. Set on 52 acres this 4 bedroom timber home with private parents retreat grants a northerly aspect yielding views over the valley.

Amidst the property's combination of open pastures and hardwood plantation lies Turkey Creek, catering water for the well-established gardens.

Property Features:

- Spacious outdoor covered entertaining area
- In-ground pool
- Sealed driveways and boundary fencing
- Double undercover parking
- Multiple storage sheds with power
- 5 Water tanks totalling 60-80 thousand litres approx.
- 3 Pumps providing water to property dwellings
- Hardwood plantation with accreditation and primary producer registration

This secluded retreat offers a plethora of different features for its purchaser with potential for future income, a platform for agriculture or simply a family home.

Call or email us today for further information.
