A wonderful lifestyle opportunity located in the prized North Beach location has become available to lease.

This freestanding north facing home with A/C is centrally located yet boasts ultimate privacy, with an open plan design that makes the most of our relaxed lifestyle.

Modern throughout with polished concrete floors in the living areas, high ceilings on both levels and light-filled interiors providing a seamless transition from kitchen, dining and lounge to outdoor living all along the northern side of the home.

The master bedroom features a luxurious ensuite with free standing tub, walk in robe and a private balcony. All other bedrooms are generous in size with fans and built in robes.

The fourth bedroom is separate to the main home and makes an ideal studio space with its own bathroom, perfect for visiting family and friends.

Outdoor living and dining is easy with deck all along the northern side and a covered area between the house and garage. Rear lane access makes parking a breeze and storage is taken care of by the large double garage. Plus there is extra off street parking for one car.

You will never need to drive, with the food and lifestyle hub Habitat opposite, plus all the cafes and outlets of the arts estate within an easy walk. North Beach is only a short walk away and the electric train runs in to the centre of town if you don't feel like walking down the beach! The property is located in close proximity to the popular Steiner School.
