Set only a few minutes' walk in to the heart of Bangalow, with an elevated position and lovely north eastern aspect, 25 Campbell Street offers a wonderful lifestyle.

The home has been recently renovated inside and out with fresh paint, new flooring, re-vamped gardens and new fixtures.

Step inside to an open plan living domain featuring a spacious lounge, modern kitchen and gorgeous sun-drenched dining area with panoramic bi-fold windows. The kitchen enjoys a breakfast bar, stone benchtops, freestanding gas stove and dishwasher. These spaces flow through to 2 balconies with lovely views over the treetops. The timber floors have just been re-finished and beautifully compliment the home.

The main bedroom has access onto the covered front deck, a built-in robe and ensuite. Bedrooms 2 and 3 both have built in robes and are central to the family bathroom which has a bath, shower and separate W/C. The bedrooms all have new blinds, new carpet and ceiling fans.

Downstairs offers an incredibly versatile space to suit your needs whether it be as a fantastic home office, 4th bedroom or rumpus room. It has its own access via a storage room, bathroom/laundry and flows through to a huge covered patio with gate access that could double as parking for a trailer or caravan.

Off street parking for 3 cars completes this property.

If you are looking for a character home in central Bangalow with loads of natural light and a flexible floorplan do not miss this opportunity.
