

Elevated Character Home in Prime Central Location

\$1.795M - \$1.895M

Just minutes from the centre of Byron is this original three-bedroom timber home. Set back from the street on a 679-metre squared block, the home offers privacy, hinterland glimpses and an excellent opportunity to use as-is or renovate.

The property has charming original features throughout, such as stained glass window panes and timber flooring. Upon entering the property you reach the living and dining spaces, which are adjoining yet spacious. Large doors lead to an undercover veranda which is perfect for entertaining.

The main bedroom offers an ensuite with shower and walk in wardrobe and the second bedroom is also well-proportioned with built in wardrobes. The wraparound farmhouse-style kitchen with feature tiled floor is centrally located and includes an additional dining space. From here you can access the family bathroom, laundry room and sunlit study.

An elevated block with beautiful north facing aspect in a quiet cul-de-sac. The position has potential to capture vast hinterland and sunset views.

An extended front lawn sets the property away from the road, and a carport and long driveway offer an abundance of off-street parking.

The property is in an excellent position for Byron's schools, being centrally located between Byron's two primary schools and the high school. Just around the corner from the popular Byron General Store, it is also an easy walk to the beautiful Arakwal National Park and Byron town centre.
